**X. PROJECT / SCHEME/STUDY/SURVEY OR INNOVATIVE WORK DONE BY THE STATE PUBLIC SERVICE COMMISSIONS.**

1.	Madhya Pradesh	<p>National Workshop was conducted by MPPSC on 28.09.2018 “ Sharing on Best Practices and Innovation”. Hon’ble Chairman of Gujarat PSC Shri Dinesh Dasa was chief guest of the workshop. Nine PSCs participated in this workshop ( Meghalaya PSC, Sikkim PSC, Mizoram PSC, Oddisha PSC, J&amp;K PSC, Himachal PSC, Jharkhand PSC, Tripura PSC and Chhatisgarh PSC.</p>
2.	Telangana	<p><b><u>REFORMS IN CONDUCT OF INTERVIEWS:</u></b></p> <p>For the first time, Telangana State Public Service Commission (TSPSC) has digitized the conduct of interviews and introduced several reforms by adopting Information Technology. Until recently, the marks were awarded to candidates’ in the proforma of Mark sheet provided to the Interview Board and the same were sealed and sent to Secretary for further processing. With the new IT initiatives adopted by TSPSC, the physical mark sheets provided hitherto are replaced with Tabs. The Interview Board would be awarding the Grade and Marks to candidates in the TAB provided to the interview board and the same will be automatically mapped to the server and saved against the respective candidate. This system is developed in a foolproof and reliable manner and saves man hours in compiling final total marks of the candidate.</p> <p>TSPSC has already successfully tested this New Interview System during the interviews for the post of Horticulture Officers, Asst. Executive Engineers (Civil Engineer in Rural Water Supply Department), Physical Directors in Tribal Social Welfare Residential Degree College (Women) and Forest Range Officers.</p> <p>TSPSC has already introduced several interview reforms like allotting candidates randomly to the interview board, announcing the interview board only a few minutes before the commencement of the board, including personality assessor in the board, drawing the names of interview board by lottery system, socially balanced interview board constituted by ensuring adequate representation given to various sections of society etc.</p> <p>TSPSC has further refined the above system by introducing a new Token System in the recently held Forest Range Officers’ interviews. In this new IT initiative introduced, the candidate on arrival will be allotted some Unique Token Number and only on the basis of the token number, the candidate will be called to the interview. In this new</p>

system, the candidates will be drawn randomly and allotted to each interview before just before the commencement of interview board. As such it is not possible to identify the candidate as by name, by Hall Ticket Number, by community, by university, region / district etc. The candidate will be identified only with the unique code allotted to the candidate. The candidate will be allotted and the marks are awarded only on the basis of the Token Number and the system will save the marks awarded to the respective candidate in the server.

This new initiative was found to be very reliable and foolproof as no one is aware of which candidate would be sent to which of the interview board as the candidates are allotted by unique token numbers. This new system has speeded up the entire recruitment process, enabling TSPSC to declare the results at the earliest possible. TSPSC is contemplating to further develop this system and use this system for all future interviews.

**XII. Any other relevant information, in general, that is required to be included in the “News Letter”**

1	Andhra Pradesh		The Commission has conducted Interviews and final selection for recruitments of Degree Collage Lecturer and Assistant Statistical Officers Posts has been successfully completed during this half year period. The Commission has issued 21 notifications for recruitments of Group-I , Group-II and other Gazetted and Non-Gazetted Officer posts., total 3255 posts during this half year period. A significant factor to note is that all of these examinations are to be conducted as Computer Bases Tests, held in single session and large number of candidates appeared in the examinations. The Commission also implemented a two level scheme of objections in publishing keys immediately after examinations, calling for objections in prescribed format, referring them to experts and there after publishing final keys and marks. The marks and other details of all candidates are published after finalization of keys and in this manner transparency is maintained to the highest level.
2	Telangana	i)	<p>Prof. Ghanta Chakrapani, Hon’ble Chairman, TSPSC inaugurated the Orientation Programme at Dr. MCR Human Resource Development Institute of Telangana, Hyderabad with a aim to provide a rehearsal for the District Educational Officers (DEOs) to verify the certificates as they are the appointing authority for the teachers and they can best utilize the technology to expedite the process of certificate verification at their District Centres. Further the detailed process of certificate verification was explained through a PPT and hands on training was provided to the DEOs.</p> <p>Pursuant to the Orientation Programme, the DEOs have conducted the certificate verification programme successfully in respective 10 erstwhile districts of Telangana State from 08-08-2018 to 28-08-2018 and approximately 22,100 candidates attended the verification camps.</p>
		ii)	For the first time within 48 hours of completion of OMR exam,

		<p>TSPSC has provided digital copies of OMR Answer Sheets on Commission's Website for the candidates who have attended written exam for the post of Hostel Welfare Officers Grade-II in Tribal Welfare &amp; Backward Class Welfare Departments on 29/07/2018 where 61,312 candidates have appeared for the exam.</p> <p>Earlier, TSPSC has introduced the Carbonless Copy of OMR Sheet (Candidate's Copy) as a measure of transparency and under this initiative carbon copy of the candidate's OMR answer sheet was given to the candidate immediately after the completion of the exam for his future reference. <b>This new initiative has enabled the candidate to assess their own performance in the exam.</b> Even though this new system was found to be very useful for the candidates, however, the duplicate / Carbonless Copies were often not vivid or unclear. Sometimes candidates could not clearly make out their selected options as the markings on carbon copy cannot be deciphered, thereby defeating the very purpose of providing the OMR answer sheet.</p> <p>Since the endeavor of the Commission was to take up new initiatives which are more transparent, accurate and reliable, Commission decided to provide Candidates with a clear copy of the OMR sheet of candidate instead of carbon copy. Commission decided to dispense with the system of providing Carbonless copy of OMR and introduce a new initiative where the candidates are provided with the clear image or digital copy of OMR Sheet on the website that too within 48 hours of the completion of the exam.</p> <p>Commission has also successfully provided the digital copies of the OMR answer sheets to the candidates in the Village Revenue Officer's Exam held on 16.9.2018 for 7.87 lakh candidates.</p>
