2. Nagaland i) In a major step taken by the Commission. One Time Registration (OTR) of candidates, which is a preliminary process of uploading a candidate's information and supporting documents to the Commissions through Nagaland eDistrict portal. This process eliminates submission of documents by the candidates for future examinations conducted by the Commission and scrutiny of applications.
3. Odisha i) Odisha PSC has successfully introduced Bar-Coded OMR Attendance sheets in the written examinations being conducted by the Commission, where-in the present/absent report can be prepared in the day following the day of examination. This is immensely useful in preparation of results in a shortest span.
ii) Odisha PSC has introduced a successful technology for masking of candidates appearing at the interview. In the interview, a random code is assigned to the candidate and the interview board conducts the interview on the basis of that code, without knowing the identity of the candidates.
iii) Odisha PSC has successfully introduced Bar coded attendance sheet during conduct of written examination. Earlier attendance sheets were being cheked manually, which was taking great effort and was time consuming at the Commission office. Now these bar coded sheets are scanned and attendance of candidates are quickly found out and system validated within very short time.
4. Rajasthan i) **Counseling Letters system Online** - An intranet based counseling letter generation application system has been developed in-house and implemented in September 2019.
